NEW YEAR SYSTEM OFFERS!!!

DATAVISION would like to take this opportunity of thanking all our valuable Client's for their support during 2009 and wish all a successful 2010.

We pride ourselves in supply, maintenance and installation of reliable CCTV Surveillance and Access Control Systems and look forward to a continued mutually rewarding association.

ENTRY LEVEL CCTV SYSTEM PROMOTION:

Datavision has introduced an "Entry Level" range of CCTV equipment at extremely competitive pricing with great camera resolution and the ability to still identify vehicle number plates. This range makes provision for the option of an entirely new cabled system and we have also now provided the opportunity for retailers to utilise their existing cabling should a site merely require a camera upgrade.

ENTRY LEVEL: CCTV SYSTEM – Complete with Cabling

- 16 Camera System – **R 41 740,00 (Excl)**
(16 Channel DVR, 19" Monitor, 16 Cameras, Power Supply, Cabling & Small Accessories)
- 24 Camera System – **R57 300,00 (Excl)**
(24 Channel DVR, 19" Monitor, 24 Cameras, Power Supply, Cabling & Small Accessories)
- 32 Camera System – **R71 480,00 (Excl)**
(32 Channel DVR, 19" Monitor, 32 Cameras, 2 x Power Supply, Cabling & Small Accessories)

ENTRY LEVEL: CCTV SYSTEM – Utilising existing Cabling
